Here's How You Participate:

Immediate Participation: There are 30,000 order form brochures to put in the hands of DECA chapter members who are available to sell calendars. Please sign up to help by October 7!

Secondary Participation: You can make money by simply signing up other groups to sell calendars. We will pay you 60¢ for every calendar sold by members of a secondary group you enroll. For example, if a band group of 120 students that you recruit sells 15 calendars each...they make \$10,800 and you will make \$1,080 without any extra work.

Classroom And/Or Team Development Skills:

You may wish to form committees or teams to maximize your fund-raising efforts. Students will gain practical, hands-on business experience with opportunities to enhance their resumes as a Project Manager, Bookkeeper or as members of the Sales Team, Marketing Team or New Product Research Team.
